South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Brockman Elementary School is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by fulfilling its mission as a full Montessori school of choice. The tenet of a Montessori education is that a child learns best in an enriched and supportive environment, where exploration, discovery, collaboration and creative thinking are the norm, where integrity, self-direction, a global perspective and interpersonal skills are emphasized, all under the guidance and encouragement of a trained, caring teacher.

The goal of Brockman is to help students reach their fullest potential in all areas of life. Independence, self-motivation, creativity, leadership and cooperation are foundational. The curriculum and the environment empower children, ignite their creativity and support them in building a strong sense of self. Learning is personal, enjoyable and self-fulfilling. The development of social skills, scaffolding for emotional health, a focus on physical health, all in support of academic achievement, are evident across the curriculum. In 2014, the school received national recognition by the Alliance for a Healthier Generation, as a 2014 Bronze Award Winner.

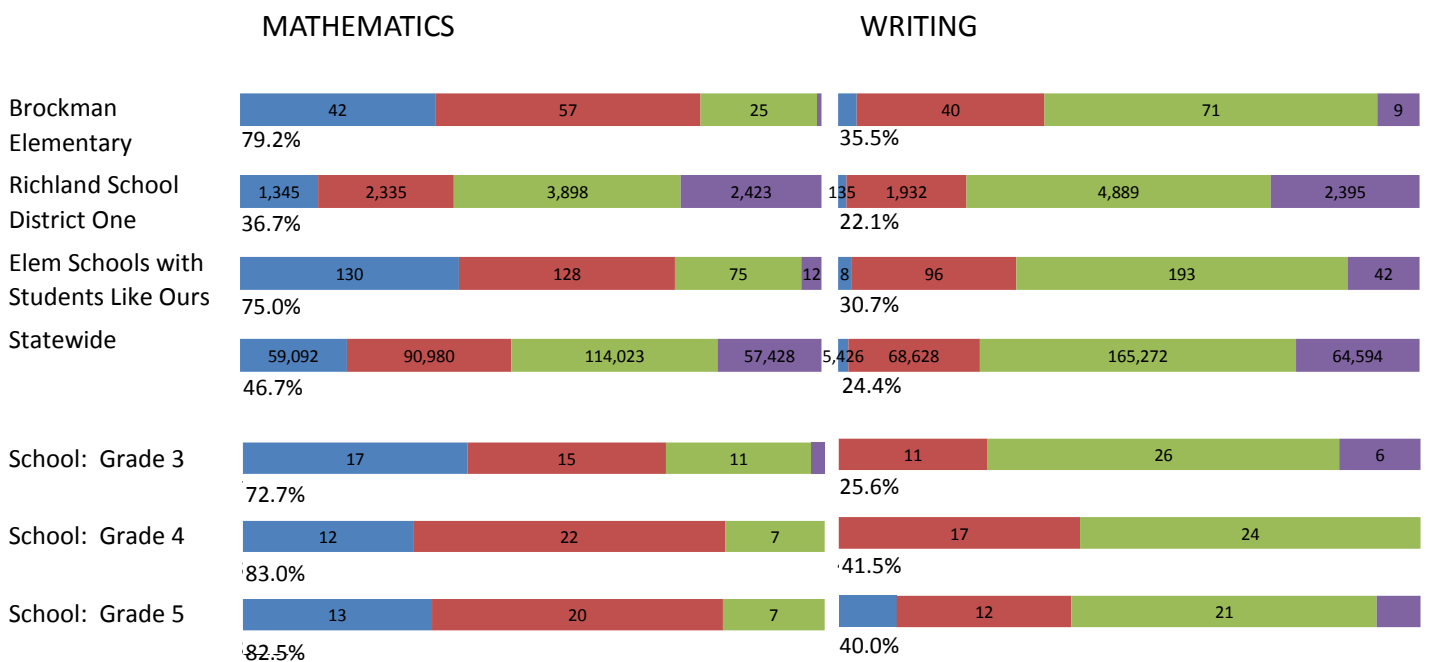

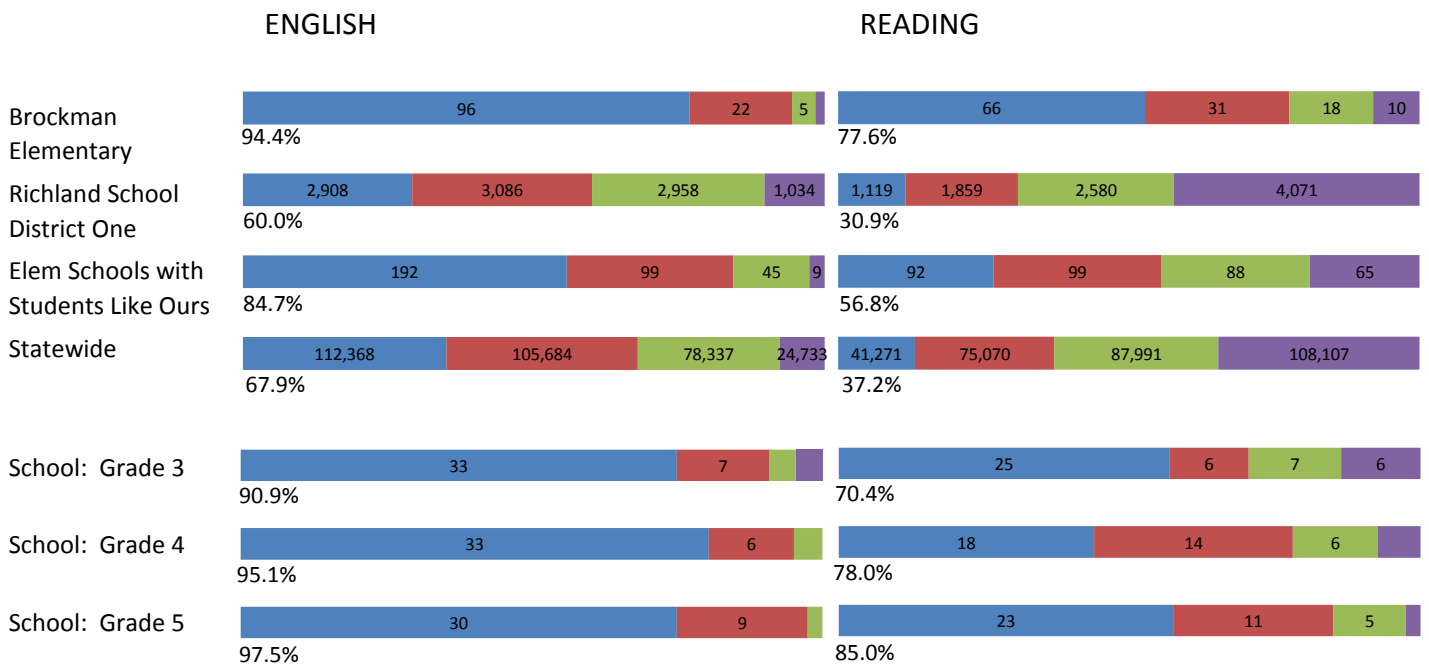

Brockman continued its tradition of academic excellence in 2014 by receiving Palmetto Gold and receiving an excellent absolute and growth rating. Brockman staff are highly qualified and all classroom teachers and some instructional assistants are Montessori endorsed. Teachers and staff work diligently to analyze data, to determine and respond to the identified student needs. Brockman's related arts program, wellness initiatives, and service projects embrace and support the education of the whole child. Over three-fourths of Brockman's students participate in after school activities. Additional after-school fine arts programming (funded through Fine Arts Boosters) provides opportunities for students to expand their talents. An after school running club promotes physical activity and a healthy lifestyle. Students also receive additional support in the school's BEARS Aftercare program, including individual/small group tutoring, science, technology, art, recycling, and cooking. This year, Brockman's School Improvement Council and PTO worked together to secure playground updates and the installation of a school outdoor amphitheater. Both groups also worked with the school to plan and coordinate the school's fifteenth anniversary as a Montessori school.

We look forward to many more years of continued success!

Dr. Eunice Williams, Principal
Mr. Brian Comer, SIC Chair
